a) Total cost of the equipment required for the functioning, including the control system, accessories, packing & forwarding etc., duly filled and signed **in the format prescribed in the tender document at Annexure - II**. No money other than the total indicated above will be payable on any account.

Validity of the tender:

Rates quoted by the bidder shall be valid till 26th June, 2018 or to an extended date as agreed on mutually.

The Bidder shall not withdraw or revise or alter any conditions, rate(s) quoted within this stated period, unless he is called upon to do so on mutual agreement / negotiations.

17 Opening of tender:

The tender shall be opened by a Purchase Committee constituted by the competent authority of IJIRA at the time, date and venue as given in the “Tender Notice”.

18 Agreement

A copy of The Purchase order once received should be returned as a token of acceptance of the terms and conditions of the Purchase. Performance Security amount will be retained as security deposit and same will be refunded after successful installation, trial and training.

19 Criterion for rejection:

IJIRA reserves the right to accept or reject any tender or reject all tenders without giving any reasons whatsoever for their decision.

Tenders are liable to be rejected in which any of the prescribed particulars / information is either missing or incomplete in any respect and/or if the prescribed conditions are not fulfilled.

Tenders which are found to be technically non - responsive shall be rejected and their commercial details shall not be considered.

Canvassing in connection with tender is strictly prohibited and tender submitted by bidder who resorts to canvassing will be liable to rejection.

Tenders containing specific conditions of the bidder other than the terms and conditions given in the tender document and not acceptable to IJIRA are liable to be rejected.

If the validity of the tender is not up to 26th June, 2018 the tender may be rejected.

If the tender document duly signed by the authorized person on all pages is not submitted, the tender may be rejected.

Before submission of the tender, the prospective bidders are expected to examine technical specifications of the equipments/instrument required, terms and conditions, etc., given in this tender document. Failure to furnish all information required in the tender document may result in the rejection of the bid. IJIRA reserves the right to cancel items, from the list of requirement of equipments/instruments without assigning any reason thereof.

III (B) TERMS AND CONDITIONS- SPECIAL

1. Cost details are to be filled up in the prescribed format as given at **Annexure – II** for each of the instrument as applicable indicating therein total charges supplied at IJIRA-NERC premises, Guwahati.

2. All accessories start up kit required for installation & commissioning the main equipment/instruments are to be specified and quoted.

3. The terms of payment:

a) Payments will be made after successful installation of the machine. 95% payment will be released after a successful installation of the equipment/ instrument.

b) Balance 5% amount to be paid on successful commissioning of the equipment, demonstration of satisfactory performance and imparting training to the technical personnel of the laboratory concerned.

4. The suppliers of the equipment should provide adequate training for at least 2 technical personnel of the laboratory including trouble shooting etc., and making them confident of operating the equipment independently.

5. The bidder shall adhere to the delivery period of the equipment/item as committed by him as indicated in Annexure III of the tender document, whichever is earlier.

6. The delivery installation & commissioning period of the equipment / machinery as agreed to should not be extended; under normal conditions.

7. The bidder shall give warranty for at least one year in respect of items quoted.

8. During the warranty period , regular servicing/maintenance should undertaken of charge, including replacement of defective parts/travel cost etc. Subsequently, servicing/maintenance

should be undertaken by the authorized agency of the manufacturer/supplier as per the annual maintenance contract conditions.

9. Operation manuals, troubleshooting manuals, calibration procedures and other instruction manuals should be provided along with each of the equipment.

10. The Test Control Systems, compatible to the main instrument, are to be supplied with latest configuration.

11. If the equipment/item is not manufactured by the bidder, authorization of the manufacturer to the bidder for marketing and servicing the equipments/instruments in India should be enclosed along with the technical bid of the tender. In the absence of such authorization, the tender will not be considered at all.

12. In case of short supply or wrong supply of equipment/instrument, its parts or accessories or supply of items in damaged conditions, it is the responsibility of the bidder to arrange for the supply of the required items in working condition as per the purchase order, within a reasonable time. Any additional expenditure, whatsoever, for the above will be borne by the bidder only.

13. The specifications given in this document are the minimum requirement. The bidders are free to offer equipment/instruments with better features also. However, the evaluation shall be based on the features mentioned in the tender document. If different model are quoted, the cost details may be given in separate sheet.

14. Orders for the supply of items, once placed with successful bidder is non transferable and no sub-contracting is permitted. IJIRA reserves the right to cancel the order in such event.

15. Any non-fulfillment of the stipulation given above will make the bid invalid.

16. The full payment will be released to the bidders only after completion of satisfactory performance check of the instrument/equipment.

17. The bids shall first be evaluated for their “technical responsiveness”. The requirements have already been specified,

18. Compliance to technical specifications of the Equipment/Item/Software, for which the bid is submitted:

i. Adherence to the warranty period.

ii. Documents in support of compliance to the calibration of the equipment and its traceability to national/international standards of measurement and proven performance through proficiency, wherever such requirement is specified,

iii. Details regarding the service centers, stocking of spares technical support & etc.

iv. Confirmation about the supply of Certified Reference Materials/Samples for checking the performance of the items, wherever applicable.

v. Compliance to all other relevant and critical terms and conditions of the tender.

vi. Validity of the tender up to 26th June, 2018.

vii. If any of the above mentioned parameters are not fulfilled, the bid may be considered as technically non-responsive.

The commercial details of those bidders who are technically responsive only shall be evaluated based on the following criterion:

- i) Total price of the equipment as CIP / CIF for imported items.
- ii) Total price of the indigenous items should include delivery charges up to the location IJIRA-NERC, Guwahati.
